

3-in-1 CARPET CLEANER

1100

SPECIFICATIONS:

Dilution	Multiple
pH Level	7.0 – 9.5
Color	No Dyes Added
Fragrance	Peach

High performance solution can be used **UNDILUTED** as a spot remover or **DILUTED WITH WATER** as a bonnet type cleaner or pre-spray prior to extraction procedures.

A concentrated “3-in-1” high-traffic area carpet and rug cleaner that can be used as a pre-spray, bonnet cleaner or stain remover. Exhibits superb iodine and betadine removal capabilities. Clear formula will not stain fibers. Safe for stain resistant carpet. Excellent for interim maintenance.

FORMULA FEATURES:

- Versatile, Three Applications in One Formula
- Fast Acting
- Effectively Removes Petroleum Based Soils, Betadine & Iodine
- Biodegradable
- Enzyme Fortified to Remove Protein and Food Stains
- Colorless Formula to Avoid Staining
- Safe on Stain Resistant Carpet
- Pleasant Peach Fragrance

RECOMMENDED FOR:

- Use as a traffic lane pre-spray to dissolve ground-in soils prior to cleaning processes
- Use as a spin bonnet cleaner
- General carpet spotter

DIRECTIONS:

- Vacuum carpet before cleaning.
- Pre-test colorfastness before use. Do not use if color is removed, fades, or otherwise changes.
- Dilute concentrate with water according to carpet soil load requirements.
 - Heavy 1:4
 - Normal 1:8
 - Light 1:16
- Pretreatment of spots and stains is recommended.
- Spray solution on small area of carpet (6' X 6') and scrub with a clean bonnet pad. Turn over or replace bonnets as they become soiled.
- Allow carpet to dry before allowing traffic
