

DRY FOAM CARPET SHAMPOO

1120

SPECIFICATIONS:

Dilution	1:16 Foam Machines 1:8
pH Level	8.5 – 9.5
Color	No Dyes Added
Fragrance	Peach

Non-corrosive, non-flammable, phosphate free, biodegradable, low VOC, addresses concerns for **ENVIRONMENTALLY SOUND** cleaning products.

This carpet shampoo generates a deep cleaning foam, which dries to an easily vacuumed powder. Anti-resoiling polymers encapsulate soil and suspend it while enzymes enhance stain-lifting power. Safe for stain resistant carpet.

FORMULA FEATURES:

- Highly Concentrated
- High Foaming
- Dry Foam Lifts Soil From Fibers
- Enzyme Fortified to Remove Soils and Odor-Causing Buildup
- Encapsulates and Suspends Soils
- Colorless Formula to Avoid Staining
- Safe on Stain Resistant Carpet
- Pleasant Peach Fragrance
- Biodegradable

RECOMMENDED FOR:

- Use with gravity feed floor machines to generate foam levels.

DIRECTIONS:

- Pre-test cleaner on carpet for colorfastness in inconspicuous area.
- Remove furniture and dry vacuum thoroughly.
- Remove stains and pre-treat traffic lanes and heavily soiled areas with appropriate solution/products/spotters.
- Dilute product 1:16 with water (1:8 for foam machines) and apply across carpet overlapping each pass. Avoid overwetting.
- Optional extraction with clear water may be done at this time. Be sure to add defoamer to recovery tank.
- Set carpet pile in one direction with carpet pile brush.
- Restrict all traffic until carpet has dried.
- After carpet is dry, vacuum thoroughly.
