CLEANING
COMPOUNDS**
compared to other
non-acid cleaner/
disinfectants.

A high-foaming, cleaner, disinfectant and deodorizer for toilet bowls, urinals and hard restroom surfaces. This detergent thickened product provides an ultra-rich foam that clings to vertical surfaces.

FORMULA FEATURES:

- Cleans, Disinfects and Deodorizes
- High Foaming
- Thick and Clinging Formula
- Bacterial and Virucidal
- Antibacterial, Antimicrobial
- EPA Registered Disinfectant

RECOMMENDED FOR:

- Regular Cleaning and Disinfection of Hard, Non-porous Surfaces
- Bathtubs
- Toilet Bowls and Urinals (inside and out)
- Shower Stalls
- Glazed Tiles
- Sinks
- Fixtures
- Door Knobs

DIRECTIONS:

Disinfection of Toilet Bowls and Urinals:

- Remove water from bowl or urinal.
- Apply one to two ounces of product evenly, allowing sufficient time for product to cover entire surface of bowl.
- Swab bowl completely using brush or bowl mop, making sure to get under the rim.
- Let stand for 10 minutes and flush.

Cleaning and Deodorization:

- To clean light soil from hard surfaces, dilute one part product with seven parts water.
- * Spray and wipe clean.

Disinfecting and Cleaning:

- Spray area until it is covered with the solution.
- Allow the product to penetrate and remain wet for 10 minutes.
- Wipe off with a clean cloth, mop or sponge.
- For disinfection, remove heavy soil before treatment.
