

# MULTI-PURPOSE DETERGENT CLEANER

700

## SPECIFICATIONS:

Registrations	Safer Choice, NSF A1, A4, C1
Dilution	1:128 - 1:32
pH Level	10.0 – 11.5
Color	Pink
Fragrance	Citrus

## SAFE FOR USE

on rubber flooring  
and matting  
when diluted at  
**1 OZ. PER  
GALLON.**

Highly concentrated, environmentally preferable general purpose cleaner effectively cleans all surfaces not harmed by water, including sealed wood, linoleum, terrazzo, marble, and vinyl. Use as a top scrub/recoat cleaner prior to floor finish application.

## FORMULA FEATURES:

- Fast Acting
- Free of Harsh Alkali, Soap and Abrasives
- Ammonia Free
- Highly Concentrated for Greater Versatility
- Approved for use in LEED Certified Facilities
- VOC CARB Compliant

## RECOMMENDED FOR:

- Regular cleaning of any surface not harmed by water.

## DIRECTIONS:

### General Cleaning

- Dilute with cold water as follows:
  - For Economy Purposes 1:128 (1 oz. per gallon)
  - Normal Soiled Areas 1:64 (2 oz. per gallon)
  - Heavy Duty Cleaning 1:32 (4 oz. per gallon)
- Apply with spray bottle, sponge, mop or other equipment.
- Allow solution to penetrate for several minutes.
- Scrub and remove with squeegee, mop or wet vac.
- Rinse with cold water.

### Top Scrub Application

- Dilute with cold water.
- Mop solution liberally to ensure full coverage.
- Allow solution to penetrate old finish (5 – 10 minutes).
- Agitate with low speed scrubbing equipment.
- Rinse and/or vacuum remaining solution.
