

Ultra durable, high gloss floor finish formulated for easy application. Leaves a bright gloss right off the mop. Easily restored with a top scrub and recoat and can be burnished with high speed and propane equipment. Excellent scuff and black heel mark resistance. Repairs easily. Product is non-yellowing. Designed for all types of resilient tile and terrazzo flooring.

DIRECTIONS FOR USE:

Initial Application

1. Remove all old wax and floor finish with appropriate stripper.
2. Rinse floor thoroughly and allow to dry.
3. Using a clean mop, apply a thin, uniform coat of finish. Allow to dry thoroughly (30 to 40 minutes). Apply additional coats in the same manner and let dry. For very porous floors, an initial coat of floor sealer is recommended.

NOTE: To avoid product contamination, do not return any unused material to original container.

Day-To Day Maintenance

1. Sweep or dust mop as necessary.
2. Damp mop with proper cleaner following label directions. For accumulated soil, lightly scrub as required.
3. After cleaning, burnish or restore floor as needed to maintain gloss.

NOTE: Water or other foreign substances will cause any floor finish to become slippery. **ALWAYS** use a "Wet Floor" sign when moisture is present.

SPECIAL INSTRUCTIONS:

Engineered for safety. Exceeds industry standards for static coefficient of friction (ASTM D2047).

PRECAUTIONARY STATEMENTS: May cause eye irritation. Avoid contact with eyes. Wash hands after handling.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation occurs: Get medical advice/attention.

See First Aid Measures - Section 4 on SDS for more detailed information.

CONSEIL DE PRUDENCE: Peut provoquer une irritation des yeux. Éviter le contact avec les yeux. Se laver les mains après manipulation.

EN CAS DE CONTACT AVEC LES YEUX: Rincer avec précaution à l'eau pendant plusieurs minutes. Enlever les lentilles de contact, si présent et facile à faire. Continuer à rincer. Si l'irritation oculaire survient: Consulter un médecin.

Voir les mesures de premiers soins - Section 4 sur FDS pour des informations plus détaillées.
