

FINE MIST AEROSOL ODOR COUNTERACTANT

Destroy odors, not just mask them. Fine, dry mist floats through the air and reduces the danger of slips and falls as a result of wet fall-out on the floor. Safe and easy to use.

*Low VOC (Volatile Organic Compound) content meets Federal and State Volatile Organic Compound Emission Standards for air fresheners of this type.

Use almost anywhere, to freshen and deodorize bathrooms, kitchens, offices, sickrooms, hotel rooms, auto interiors, closets, lockers, chests, showers, and around garbage receptacles. Used by many leading hotels, motels, restaurants, hospitals, apartments, recreation centers, schools, nurseries, fitness centers, animal clinics, and nursing homes.

This V.O.C. compliant air freshener attacks airborne odors instantly.

TO DEODORIZE AIR: Spray with a wide sweeping motion. Use wherever odors occur and as often as needed to maintain freshness.

SPRAY REGULARLY: Use in bathrooms, sick rooms, basements, smoke filled rooms, offices—anywhere that odor is a problem. Keeps every room fresh and fragrant.

FRESH LINEN SCENT AIR FRESHENER
