

Husky®  **Optimum®**

Laundry Care Program

The Optimum[®] Difference.

From industrial laundry operations to top-loader applications, the complete line of Husky[®] Optimum[®] products is the superior choice for professional laundry. The Optimum line from Husky brings advanced cleaning chemistries for superior soil and odor removal, highly concentrated formulation & safer packaging.

Advanced Formulation

- Enzyme fortified detergents
- Cold water dispensability
- HE compatible
- Ultra-concentrated for consistently clean results

Safety First

- Closed-loop protection allows for handling without risk of chemical contact or spilling
- Color coded system eases product identification

Education & Support

- Charts & guides for easy formula use
- Trained sales support Destination Canberra on-site training
- Destination Canberra online training

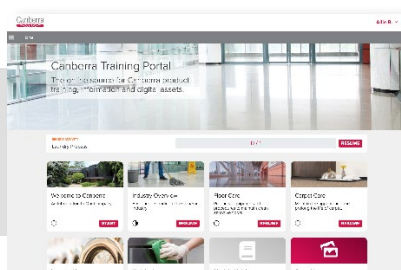

Superior Packaging

- Simplified product change-outs
- Translucent pails allow for easier inventory control

Training & Support

On-Site & Online

Destination Canberra Online Training Portal

The online source for intensive training to learn about industry topics, procedures and products well beyond chemicals.

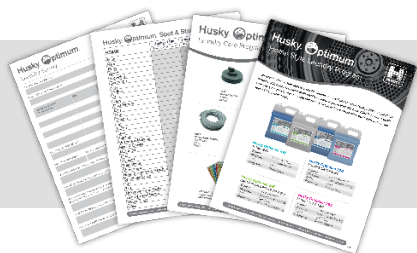

Destination Canberra On-Site Training

An experienced sales manager or industry expert available to help educate on-site and in-person for both classroom and hands-on demonstrations.

Digital Asset Management

A one-stop source for Canberra product images and assets from videos to literature.

Marketing Materials & Support

From webinars to universal wall charts, Canberra is prepared to educate your team on products, procedures and industry knowledge.

DETERGENTS

Husky Optimum

DETERGENT

Husky Optimum Detergent is a multi-surfactant blend detergent designed to quickly suspend soils, producing cleaner and brighter fabrics with concentrated formula cost savings. Great for both top load or automated dilution systems.

FORMULA FEATURES:

- Multi-surfactant blend
- Highly concentrated
- Produces cleaner & brighter fabrics
- Long-lasting fresh linen fragrance

Dilution: Automated: 2-5 oz. per 50 lbs. of dry fabric. Top Load: 1-3 oz. per load

pH Level: Concentrate: 9.0

Color: Blue

Fragrance: Fresh Linen

Husky Optimum

ENZYME DETERGENT

Husky Optimum Enzyme Detergent is a premium blend of high-performance surfactants and acting enzymes to rapidly break down and remove stubborn stains and soils.

FORMULA FEATURES:

- Enzyme boosted formula for superior soil removal
- Highly concentrated
- Phosphate-free
- Premium multi-surfactant blend
- Produces cleaner & brighter fabrics
- Long-lasting Fresh Linen fragrance

Dilution: Automated: 2-4 oz. per 50 lbs. of dry fabric. Top Load: 1-2 oz. per load

pH Level: Concentrate: 7.0-8.0

Color: Blue

Fragrance: Fresh Linen

Husky Optimum

BUILT DETERGENT

Husky Optimum Built Detergent is a highly efficient and effective detergent and alkaline builder all-in-one that dissolves even the toughest of soils, including oils and food stains.

FORMULA FEATURES:

- Features a corrosion inhibitor
- Highly concentrated
- Multi-surfactant blend provides better soil suspension and removal
- Dye & phosphate-free

Dilution: 3-5 oz. per 50 lbs. of dry fabric

pH Level: Concentrate: 12.5-14.0

Color: Dye Free

Fragrance: No Added Fragrance

SOFTENERS & pH ADJUSTERS

Husky Optimum

BREAK pH BOOSTER

Husky Optimum Break pH Booster is a high performance and highly concentrated laundry builder formulated for on-premise laundry systems.

FORMULA FEATURES:

- Accelerates soil release from fibers
- Built-in corrosion inhibitor
- Soil anti-redeposition agent
- Breaks down heavy soils

Dilution: 4-6 oz. per 50 lbs. of dry fabric

pH Level: Concentrate: 13.0-14.0

Color: Dye Free

Fragrance: No Added Fragrance

Husky Optimum

SOUR NEUTRALIZER

Husky Optimum Sour Neutralizer is designed to neutralize an alkaline pH of the washed fabrics during the final rinse cycle. Provides excellent rust removal while also working to eliminate the graying or yellowing of fabric.

FORMULA FEATURES:

- Neutralizes alkalinity
- Prolongs life cycle of fibers
- Reduces graying and color fading

Dilution: 1 oz. per 50 lbs. of dry fabric

pH Level: Concentrate: 1.0-3.0

Color: Dye Free

Fragrance: No Added Fragrance

Husky Optimum

SOUR & SOFTENER

Husky Optimum Sour & Softener works as a two-in-one product saving in your dispenser and wash cycle time. Dual formulation is designed to neutralize alkalinity and condition fibers to be soft and static free.

FORMULA FEATURES:

- Softens fibers
- Reduces static cling
- Neutralizes alkalinity for a balanced pH
- Prolongs life cycle of fibers reducing fiber rigidity
- Long-lasting Spring Waters fragrance

Dilution: 2-4 oz. per 50 lbs. of dry fabric

pH Level: Concentrate: 1.5

Color: White

Fragrance: Spring Waters

Husky Optimum

FABRIC SOFTENER

Husky Optimum Fabric Softener is a highly concentrated liquid fabric softener formulated to reduce static cling and leave fabrics feeling soft and smelling fresh.

FORMULA FEATURES:

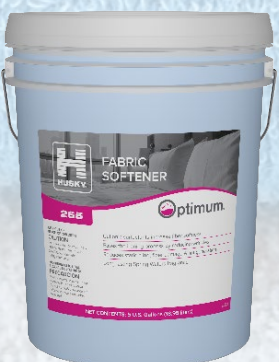

- Cationic surfactants increase fiber softness
- Eases the ironing process by reducing wrinkles
- Long-lasting Spring Waters fragrance
- Reduces static cling, fiber damage & lint generation

Dilution: Automated: 1-4 oz. per 50 lbs. of dry fabric. Top Load: 2 oz. per load

pH Level: Concentrate: 5.0-8.0

Color: Light Blue

Fragrance: Spring Waters

STAIN REMOVERS

Husky Optimum

BLEACH DESTAINER

Husky Optimum liquid Bleach Destainer is a concentrated, chlorine-based destainer.

FORMULA FEATURES:

- Whitens & brightens fabrics
- Removes stains on white fabrics
- Works to remove the toughest of stains
- Helps extend the linen use life

Dilution: 2-4 oz. per 50 lbs. of dry fabric

pH Level: Concentrate: 13.0-14.0

Color: Dye Free

Fragrance: No Added Fragrance

Husky Optimum

COLOR SAFE DESTAINER

Husky Optimum Color Safe Destainer is a peroxide-based destainer that removes difficult stains without degrading whites or colorfast fabrics. Approved for use on most color and fabric types.

FORMULA FEATURES:

- Versatile hydrogen peroxide-based formula
- Whitens & brightens fabrics
- Ideal for use on white & dyed fabrics

Dilution: 2-4 oz. per 50 lbs. of dry fabric

pH Level: Concentrate: 3.0-4.0

Color: Dye Free

Fragrance: No Added Fragrance

SPOT CLEANERS

PEROXALL SPRAY

Ready-to-use, powerful, yet environmentally preferable multi-purpose spray cleaner removes soils from both hard and soft surfaces including floors, walls, tile, grout, fabrics, vinyl, wood, upholstery, carpets, rugs and stainless steel. Designed to whiten, brighten and deodorize.

FORMULA FEATURES:

- Versatile, All-Purpose Cleaner
- Cleans, Whitens, Brightens & Deodorizes
- Effective On Hard & Soft Surfaces
- Streak-Free, Leaves No Residue
- Environmentally Preferable Formula
- Biodegradable

Dilution: RTU

pH Level: 3.0-6.0

Color: Dye Free

Fragrance: Spring Rain

TANNIN SPOTTER

Husky Tannin Spotter is a ready-to-use stain remover that effectively eliminates coffee, tea, rust and other stains from carpets and upholstery. Clear formula will not stain. Safe for stain resistant carpet.

FORMULA FEATURES:

- Removes browning, rust and tannin-based stains
- Colorless formula to avoid staining
- Broad range of applications

Dilution: RTU

pH Level: 3.5-4.5

Color: Dye Free

Fragrance: Peach
