

Ultra-concentrated formulation for manual dishwashing. High-performance, long-lasting suds quickly removes grease, baked on food and food stains from utensils, flatware, glasses and pots & pans. High soil load capacity specially developed for hotels, restaurants, schools and institutions.

SPECIAL NOTE

When regulations require a three-sink setup consisting of a detergent, a rinse and a sanitizing agent, use this product in the first sink compartment, clear water in the second sink compartment and Husky S/V Disinfectant in the third sink compartment.

DIRECTIONS FOR USE:

1. Turn the labeled Detergent dispenser dial to fill sink number one. When filled, turn the dial to off.
2. Immerse pre-scraped items in dish soap solution and scrub if needed.
3. Rinse thoroughly with hot water in sink number two.
4. In a regulated three sink food service environment, follow with a sanitizer step in sink number three with Husky S/V Disinfectant.
