

BOWL PRO

HUSKY® 300

A 9.5% hydrochloric acid toilet bowl cleaner that effectively cleans, deodorizes porcelain, ceramic or vitreous china toilet bowls and urinals. This low acid cleaner provides a rich sudsing action leaving toilet bowls and urinals sparkling clean while eliminating offensive restroom odors.

Directions

To Clean Toilets & Urinals:

1. Flush fixture.
2. Open pour spout 45°. Squeeze to coat surfaces under the bowl rim.
3. Let stand for 10 min.
4. Scrub all surfaces with bowl swab, especially under the rim.
5. Rinse by flushing.

To Clean Sinks, Bathtubs, Shower Stalls & Ceramic Tile Floors:

1. Dilute one part of cleaner with two parts water.
2. Apply to all surfaces thoroughly with bowl swab, sponge, brush, or cloth.
3. Allow cleaner to remain for at least 10 minutes.
4. Rinse after cleaning.

Powered With 9.5% HCL
