

# DETERGENT

## HUSKY® 210

Husky Optimum Detergent is a multi-surfactant blend detergent designed to quickly suspend soils, producing cleaner and brighter fabrics with concentrated formula cost savings.

## Directions

Approved for use with automated dispensing and manual addition laundry processing.

1. Fabric should be sorted by soil load, fabric type and fabric color. Pre-treat with Husky Optimum Stain Removers if stains are present.
2. For Automated Dilution Systems: Choose proper wash cycle formula based on care instructions, fabric type and soil level.
3. Follow machine loading procedures, do not over or under-load.
4. For Automated Dilution Systems: Add Husky Optimum Detergent during the wash cycle.

Hot or Cold Water Compatible

## Specs
