

# BUILT DETERGENT

## HUSKY® 230

Husky Optimum Built Detergent is a highly efficient and effective detergent and alkaline builder all-in-one that disperses even the toughest of soils, including oils and food stains.

## Directions

Approved for use with automated dispensing equipment only. Designed for use in a 4/5 part wash system with Husky Optimum Sour Neutralizer.

1. Fabric should be sorted by soil load, fabric type and fabric color.
2. Pre-treat with Husky Stain Removers if stains are present.
3. For Automated Dilution Systems: Choose proper wash cycle formula based on care instructions, fabric type and soil level.
4. Follow machine loading procedures, do not over or under-load.
5. For Automated Dilution Systems: Add Husky Optimum Built Detergent in the wash cycle.

Handle Safely Without Risk of Contact.  
Safety Insert in Every Pail.
