

Protect Your Fleet from Winter Wear & Tear

Road salt and ice melt can accelerate corrosion and drive up maintenance costs. **Husky® Salt Destroyer** is a highly concentrated, professional-grade solution that neutralizes corrosive salt films, protecting your vehicles and equipment while extending their operational life.

BENEFITS:

- **Cost-Effective:** Low dilution rates mean one container lasts longer, significantly reducing your per-wash cost.
- **Protects Vehicles:** Stops rust and prevents long-term corrosion on chassis, undercarriages and paint.
- **Safe & Powerful:** Mild citric acid effectively and safely breaks down embedded salt and alkaline residues without harming sensitive surfaces.
- **Minimizes Downtime:** Speeds up wash cycles so vehicles return to service faster.

APPLICATIONS:

- Buses
- Concrete Floors
- Transit
- Vehicle Bays
- Trucks
- Metal Equipment
- Delivery Vans

PRODUCT SPECIFICATIONS:

Dilution: 0.5 – 2 oz./gal.

pH Level: 2.1 – 3.1

Color: Green

Fragrance: Lime Zest

Pack: 4/1 Gallon Case

COMPATIBLE WITH PRESSURE WASHERS
FOR FAST, EFFICIENT CLEANING.
