

Works as both a defoamer and anti-foam. Weakens the structural integrity of bubbles, making it impossible for foaming to occur. Add 1 ounce per 5 gallons (1:640) of recovery tank capacity to provide effective control in auto scrubbers, extraction machines and wet vacs.

Alternative uses: This product deposits a silicone shield on hard non-porous surfaces that enhances gloss and enables objects to easily slide across counter and table tops, conveyor belts, and ramps. Lightly mist surface and wipe dry. Never apply to floors. **DIRECTIONS FOR USE:** Add 1 oz. of defoamer per 5 gallons capacity to recovery tank of wet vacuums, carpet extraction equipment and automatic scrubbers. For additional control, dilute 50:50 and spray inside wall of recovery hoses. If necessary, this solution may be sprayed directly on foam for removal.

**CONTAINS:** Water CAS# 7732-18-5, Siloxane CAS# 63148-62-9.

**PRECAUTIONARY STATEMENTS:** May cause eye irritation. Avoid contact with eyes. Wash hands after handling.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation occurs: Get medical advice/attention.

See First Aid Measures - Section 4 on SDS for more detailed information.

**CONSEIL DE PRUDENCE:** Peut provoquer une irritation des yeux.

Éviter le contact avec les yeux. Se laver les mains après manipulation.

**EN CAS DE CONTACT AVEC LES YEUX:** Rincer avec précaution à l'eau pendant plusieurs minutes. Enlever les lentilles de contact, si présent et facile à faire. Continuer à rincer. Si l'irritation oculaire survient: Consulter un médecin.

Voir les mesures de premiers soins - Section 4 sur FDS pour des informations plus détaillées.
