Use to remove organic based stains and other soils including urine, beer, milk, and blood.

This ready-to-use, bio-formulated spot and stain remover eliminates odors from carpets and upholstery by quickly breaking down and digesting organic soils. Designed to eliminate urine, milk, beer, blood, chocolate and other food stains. Clear formula will not stain. Safe for stain resistant carpet.

FORMULA FEATURES:

- Cleans and Deodorizes in One-Step
- Destroys Odors at Their Source
- Colorless to Avoid Staining
- Low Environmental Impact

RECOMMENDED FOR:

- Spot treatment for carpets, upholstery, and water-safe fabrics to remove organic soils and odors.

DIRECTIONS:

- Pre-test colorfastness of carpet in inconspicuous area.
- Remove any excess soil.
- Spray spot or soiled area until covered with foam.
- Agitate with carpet brush and blot with clean, damp white cloth.
- Allow to dry, then vacuum treated area.
